We always want to take a brief moment to thank everyone for being here and to worship the Lord at University. We want to be an encouragement to you and hope you can be an encouragement to us as we all continue to strive to do the Lord's will.

If you are visiting we want to welcome you here and invite you back and would ask if you would remain after services so we might get the chance of meeting you in person. Again we hope you feel right at home and want to be there for you and answer any questions you might have.

Why do so many of us get discouraged when going out and proclaiming the gospel? Could it be that we are stopped in our tracks with discouragement? What are the true expectations we should have? After today I would like for all of us to see the true successful pattern of our evangelism and come to expect the following through scriptures. The pattern is communication which leads to OPPOSITION followed by our perseverance then finally to fruit. It won't be we go out and proclaim the word and sit back and watch the fruit. There are two more ingredients we need to be aware of, the opposition and to our perseverance. Be encouraged today that we follow the same pattern given in the New Testament for His success as we all should remember that we labor and it's God who gives the increase.

WHISPERS

The man whispered, “God, speak to me.” And a meadowlark sang. But, the man did not hear.

So the man yelled, “God, speak to me.” And the thunder rolled across the sky. But the man did not listen.

The man looked around and said, “God let me see you.” and a star shined brightly. But the man did not see.

And the man shouted, “God, show me a miracle.” And life was born. But, man did not notice.

So, the man cried out in despair, “Touch me, God, and let me know you are here.” Whereupon, God reached down and touched the man. But, the man brushed the butterfly away and walked on.

I found this to be a great reminder that God is always around us in the little and simple things that we take for granted!

In Case You Missed It

John 8:12 Then Jesus again spoke to them, saying, “I am the Light of the world: he that follows Me shall not walk in darkness, but will have the Light of life.”

During the feast of Tabernacles in Jesus’ day, the temple priests would set up four great lampstands with golden lampholders, which they would light with the aid of enormous ladders in the Temple courtyard. The lighting of these lamps began the celebration of the “Great Hosannah” The celebration went on into the wee hours — with music and dancing and rejoicing, while the beautiful lights lit up the night. And then illuminated a city on a hill. The following morning the Jewish people would recite the prayer for the eighth day of the feast — “Be thou praised, O Lord our God, King of the Universe, who makest light and causes darkness, who makest peace and createst all: the light of the world as the treasure of life...” So it was in this background, that Jesus proclaimed, “I am the Light of the world!” Some of us have been walking or seen others in darkness recently — maybe for a long time now. This is, by no means, God’s calling on our lives. Our Redeemer, Jesus is the light of the world. We, who follow Him should never be walking in darkness but have the light of life! We should be set apart — a city on a hill, illuminated beautifully for all the world to see! It’s time to get our lamps lit. Let’s give our hearts to Him once again today and get His victory in our lives!
