A warm welcome to everyone in attendance today! We are glad you are here to worship the Lord with us at University. If you are visiting we are so glad you have come and would like to invite you back. Let us get the opportunity of meeting you today before you leave and show you how glad we are to have you visit. Thank you again.

Unless we are of school age not many of us like to continue learning. We say things like "I got this" "I know this" and the older I get the more the motto "You can't teach an old dog new tricks" fits in my life. Does it for you? And why is that? I know I don't know everything. Am I just to lazy? Am I content? Today I want us to look more closely to the instruction given to Timothy from the apostle Paul and take it as my instruction for my life and see why it is so important for Timothy as he started his ministry just like it is important to us today. Our text is found in 1 Timothy chapter 4.
