

John 12:48

48 He who rejects Me and does not receive My sayings, has one who judges him; the word I spoke is what will judge him at the last day.

1 Peter 3:20-21

20 when the patience of God kept waiting in the days of Noah, during the construction of the ark, in which a few, that is, eight persons, were brought safely through *the* water.

21 Corresponding to that, baptism now saves you—not the removal of dirt from the flesh, but an appeal to God for a good conscience—through the resurrection of Jesus Christ,

Acts 22:16

16 Now why do you delay? Get up and be baptized, and wash away your sins, calling on His name.'

## WELCOME

We want to take this time to welcome each of you here today as we come together to worship the Lord. It is a great privilege we have in this country to have the freedoms we have and enjoy to be able to worship the way we do. If you are visiting we are so glad you have come our way and would like to invite you back the next time you are able. And would ask if you would remain after services a brief moment so we might get the chance of welcoming you here in person. Again we hope you have felt welcomed today.

We have great resources available to you at any time like our library found in the side entrance. We ask that when you borrow a resource to please notify us and return it when you are finished. We also have a free on line resource with thousands of video studies that are available free to you just contact our office for more info. Looking for a church home we would love to have you with our work and service here. Want to know more about your relationship with Christ. Want to set up a group or personal bible study. Need some assistance or know of someone who does. Please take the time to meet with us we would love to know how we may serve you. The subject of baptism has been explained and re explained over the years. I don't think in the time I have been preaching I ever personally preached a entire lesson on it. I may have mentioned it and of course give a invitation for anyone at the end of every lesson or devotion. But what is it? Who is it for? Is it necessary? I heard a guy on the radio spend 30 minutes on the subject. So what does the bible have to say about it. Lets today as Paul states reason together. We can reason right? Using the information we have to come up with a conclusion. I hope after today's study you will be able to have a biblical conviction to why it's the most important decision a person can make. Please take the time to consider our scripture passages listed on the back.
