A warm welcome to each one of you today as we come together to worship our Lord and Savior Jesus Christ. If you are visiting us today we are especially glad you are here and welcome you back and would also ask if you would remain after services so we might get the chance of meeting you and welcoming you in person. If you are looking for a church home or have a question of us please visit with us we would love the opportunity to speak with you. Again WELCOME!

Last week we looked at the letter to the Ephesians from the apostle Paul in chapter 6 reminding all of us who our adversary is and to also remind us he has a scheme, for all of us and has a plan to use against us to make us feel defeated and to know he is diligently seeking us out to destroy us. With that knowledge Paul says to stand firm 3 times in this passage. Its what God wants us to do is stand for Him and Paul not only instructs us to stand firm but he also tells us how we do that by putting on the whole armor of God. Not just some, a piece here or there but the whole armor. I know most of us are familiar with this imagery but have we ever stopped to see what they are and what is still needed in our lives to help protect us from the enemy. Today we will go over those special pieces of armor we are instructed to put on and keep on in Ephesians 6.

**In Case You Missed It**

**Isaiah 33:6 Wisdom and knowledge will be the stability of your times, And the strength of salvation; The fear of the Lord is His treasure.**

As Oklahoma enters our third year of an intense drought, with xomd parts of the state now in an “exceptional drought”, it reminded me of a story that comes from Israel. In 1986, in the midst of a three year drought, two brothers who lived in a kibbutz near the Sea of Galilee made an incredible discovery. As these two fisherman monitored their equipment on the lake, they noticed something glistening in the sun covered in mud. It was a fishing boat. Upon deeper examination, archaeologists determined that these two brothers had discovered an ancient boat from the time of Jesus. It was called the “Jesus boat” and is now located in a museum next to the Sea of Galilee. Hidden under water for centuries, the only reason it was discovered was that the severe drought had lowered the lake surface so drastically; so that even when no one was looking for it — this treasure was discovered totally unexpectedly. You may have noticed — It’s becoming more and more spiritually dry in this world and sometimes I wonder, will anything good ever come out of this? Yet I think the same thing can happen for us as happened to those two fisherman. When things get low, and dry, and sparse, suddenly when we least expect it, God can reveal treasure that we couldn’t see or know about because everything was abundantly okay. Maybe it’s a friendship that blossoms because of the pressure or need... or, maybe just a new and deeper insight into the Lord’s own sufferings; or maybe a new spiritual gift of encouragement.... there are many possibilities, and I think we ought to be looking for them, though they might appear when we least expect it.
