A very warm welcome to our visitors today! We are so glad you have come and would ask if you would stay after services awhile so we might get the chance to introduce ourselves to you and welcome you in person! Again thank you for being here and WELCOME!

The more and more I study the more humble I become in the presence of God Almighty!

On a weekly basis I should see how BIG God is and how small I really am. And that keeps me grounded, keeps me in check. Today we will look at the apostle Paul in his writing in Philippians 3 virtually saying the same thing. God is greater over everything in my life, including his and now my, religion. And looking back in Paul's life what was his religion to him. EVERYTHING! Our question today is God bigger than our religion? Often times as Paul had to learn and we do today that we put a lot of things first in our lives over God. We find people today putting career first, family, health, finances, and even Religion above him and not putting our relationship with him first and foremost in our lives. Sure we can quote that we are to love God with all our heart, mind, soul, and strength but sometimes do we let other things become bigger in our lives including my religion. I am here to tell you that God is bigger than our religion. Let's examine our text a little closer today found in Philippians 3:6-11
