We want to take time to thank each one that is here today to worship the Lord. You are all vital to the works that continue to grow here at University! If you are visiting we are glad you have come our way and extend a invitation to meet back with us when you can. If we can answer any questions or be there for you in any way feel free to contact the office or one of our elders. We would be glad to answer or help in any way. Also if you wouldn't mind remaining after services a brief moment so we might greet you in person. Again Welcome!

Some time ago the Beatles wrote a song "All You Need Is Love" And for the most part that's what mankind has been wanting and searching for ever since the Garden. Are we loved? And are we loved by God? Ever since the beginning Satan wants us to doubt that God loves us. He used this doubt method with Eve herself. Today I want us to know God loves us and continues to love us and has even called us out by name. In this day of Sinicism we can know that God does love and care for us. I ran across this saying that shows the difference of how our adversary sees us and how God sees us. The devil knows your name but calls you by sin. God knows your sin but calls you by name.

THE ADDRESS for Kaiden Higgins C/O The Children's Center, Patient Mail, 6800 NW 39th Expressway, Room #7, Bethany, Ok. 73008

In Case You Missed It

Philippians 3:13-14 Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.

There are two kinds of birds that roam the desert: vultures and hummingbirds. The vulture thrives on a diet of dead rotting meat. He flies overhead searching for traces of leftover carcasses from animals who've already had their fill. Hummingbirds, on the other hand, will sweep through the desert, passing over all those and seek colorful patches of beautiful wild desert flowers. They will suckle the delicious juices of those sweet desert blossoms and be satisfied. While vultures look to the dead for their survival, the hummingbird seeks the living! Likewise, some of you may be looking at our past with its regrets, and keep feeding on our past failures and sins to keep us alive. We think that somehow by looking back to those dead things, we might find some motivation to keep surviving here and now. But let's take a lesson from the hummingbird instead...Let's fly over the dead past and focus on instead the new life — the exciting future that God holds for us as we continue seeking Him and moving forward in our relationship with Him!
