A very warm welcome to each of you this day as we come together to worship the Lord and thank Him for all He has done for us. If you are visiting we are so glad you have come our way and invite you back the next time you are able. If you are visiting we would also ask if you would remain after services a brief moment so we might get the opportunity of meeting you and welcoming you here in person. Thank You!

If you have a question of us, looking for a church home, interested in a personal or group bible study, or are in need of assistance please take the time to meet with us we would love to see how we may serve you.

How much do we take in what we have learned and used it in our lives? When it comes to our walk with Him? Are we doers or hearers? Because I will never become what the bible says I can be, I will not see change, I will not see growth, I will not see transformation. And unlike what a lot of folks think just coming to church and reading my bible everyday does not do that. We experience it when we ACT upon what we read and what we learn. Do we have a heart like that. One for God? Lets examine our hearts really and see where we are at individually and see if we can grow more in Him to transform to His likeness and mirror what the prophet Jeremiah said in chapter 15:16.
