A very warm welcome to each and everyone of you. If you are visiting us today we are certainly glad you have come and would ask if you would remain after service a brief moment so we might get the chance of meeting you and welcoming you here in person. If at anytime you have a question feel free to ask us. If you are looking for a church home we welcome you and extend the invitation to you to work with us here. If any here is in need of something that has touched your life and would like for us to listen, or give a hand of support please contact one of our elders. Again Welcome!

Today I will be talking about a word that is not used much these days, in fact outside of the action of a coupon the word is hardly used at all except when we apply that word to our Lord and Savior Jesus Christ. The word is "Redeemer". What does that mean? We all know the short answer but today we will look a little closer at the roll of the old testament "redeemer" found in the bible and during the time of Ruth and then compare that to our redeemer today Jesus Christ and just like for those in old testament times were looking forward to one day having a redeemer come and save them as they remembered the Passover each and every year. We too should be looking for the redeemer in our lives. And that is found only in one person Jesus Christ. The question will be at the conclusion, Are we? Or are we not in need of a Savior because we are just fine. Lets look at the wonderful story of the redeemer and apply that to our lives today.
