WELCOME

We would like to welcome you to services here at University. If you are visiting us today we would like to invite you back the next time you are able and would ask if you would remain after services a brief moment so we might get the chance of welcoming you here in person. Again thank you and Welcome!

If you are looking for a church home let this be a extended invitation for you to consider joining with us with the work here. If you are interested and want to set up a group or personal bible study, have a need or know of someone who does. Please take the time to visit with us we would love to know how we may serve you. Remember to download our free church app for your smart phone or tablet search the app store for ucoclawton.

We hope that this Thanksgiving week has been a enjoyable one and let us all remember as American's what this day is for to be thankful to God for everything He has given us including His Son on the cross for our sins.

Where do you find comfort? Is it with a spouse, friend or close relative? Is it with God and His word? There is a lot of hurting that goes on today and many seek comfort. Would you say you could provide a good source of comfort if someone came to you right now? Today lets be comforted with God's word with the subject of comfort. Reminder that all scriptures used in today's sermon can be found on the back. Thank you and may God bless you today.
