We want to thank each and every one of you for being here today to worship the Lord! We are glad you are here and are a part of Gods work at University. If you are visiting we are certainly glad you have come our way and would invite you to stay after so we might get the chance of meeting you in person. Again Welcome!

This week many of us will be gathered around a table with family and friends to celebrate "Thanksgiving". A great time to also reflect why President Abraham Lincoln instituted this day to begin with after the Civil War which besides all the turkey, stuffing and pumpkin pie along with now the added shopping opportunities right after or the very next day. He said this in his proclamation. "The year that is drawing towards its close, has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature, that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful providence of Almighty God" He went on to say in conclusion "I do therefore invite my fellow citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens. And I recommend to them that while offering up the ascriptions justly due to Him for such singular deliverances and blessings". Notice the reason again to give a day of thanksgiving to God for all he is doing even then during a great Civil War he said we are prone to forget and even in peace time we are prove to forget I believe. Many use the phrase the meaning for the season to think of Christmas but I want us all to remember the reason for this season to be thankful unto God our sustainer of our lives. Enjoy the time but lets be thankful unto God this and every day.
