WELCOME

We want to take this time to welcome each of you for worship to our Lord and Savior Jesus Christ. If you are visiting us today we welcome you back and invite you back the next time you are able. We would also ask if you would remain after services a brief moment so we might get the chance of meeting you and welcoming you here in person. Again Welcome!

Looking for a church home? We would love to work along side of you in the effort to serve Him more. Want to set up a group or personal bible study? Have a need or know of someone who does? Please take the time to meet with us we would love to know how we may serve you.

Reminder to download our free app for your smart phone or tablet. Just go to the app store and search ucoclawton.

Are we really doing what He says? When you think of all the verses that tell us or instruct us to do something then why is not everyone doing it? It comes from the bible right? It is God who says its right? Then why are a lot including myself not doing it? CHOICE. That's the simplest of answers. Its just like making laws that should stop everyone from doing it right! No by choice mankind can and will do just about anything including disobedience its as old as the Garden itself. Today lets examine where our heart is today concerning this subject. Where do you and I really stand? Just a reminder that all scripture used in Todays sermon can be found on the back.
