We want to take a moment and thank you all for being here as we come to worship our God and encourage one another as we continue to walk with Him and serve Him. A very special welcome to those who are visiting us today we never get tired of saying welcome and we hope you give us a opportunity after services to meet you in person and welcome you here!

Last week we were discussing the four parts to our sharing the gospel. The first is communication, God wants us to speak out "to communicate" not just be a silent example which is followed by opposition which leads to perseverance to finally fruit. We must come to expect its not communication to fruit. We will also encounter opposition which leads us to perseverance. Well what about opposition We are encouraged to persevere is that it, we just persevere? But what about those times we can't seem to let it roll off our back and we have even taken our plea to the Lord in prayer. Today we will be looking at what Paul and Barnabas did after facing what the bible says was sharp dispute and debate. Our text and example for today is found in Acts chapter 15. Follow along in your bible to see that God is greater than opposition.
