We would like to welcome you here to the University church of Christ to worship our Lord and Savior Jesus Christ. It is our desire to do everything we can to worship in Spirit and in truth. If you are a long time member or a first time visitor we are so glad you are here! If you have a question, looking for a church home, want to set up a personal bible study or are in need of assistance please get with us we would love the opportunity of serving you. Thank you and Welcome!

Another holiday season has come and went just like that and we hope that you were able to spend some quality time with family and friends over the course of these last weeks. We hope as we close out this year, we will look to reflect on those things that are truly important in our lives and focus more on those things as we begin a new year.

We may hear the word “balance” used quite a bit these days in fact Fox news has used that as a slogan for years “Fair and Balanced” and maybe its because there is such extremism found in the world today. Its all one way or the other with no middle ground, its black and white. One extreme to the other. We unfortunately also find extremism in the church and those who seem to be overly critical or judgmental to others making sure there is no sin found anywhere to those who seem to want “Grace” to cover everything! Somewhere there should be a balance between the two shouldn’t there? Today I want to examine where we are now and where we are heading with our attitudes and maybe find we need to put a little more balance in our walk with Him.
